

Announcing the 2012 edition of...

The previous editions have been lauded in the House of Assembly by the Premier and the Shadow Education Minister. Now is the time to book your space in the even more comprehensive 2012 edition!

Your Future is distributed *free to homes on the island*.

Copies are taken to all local high schools to be given to 5th and 6th form students. Copies are also distributed at local Career Fairs, Student Networking Events and University & College Fairs. Digital versions of the magazine are online at www.bermudascholarships.com, www.bermudamedia.bm and linked to other relevant websites.

Your Future seeks to inspire and enthuse all Bermuda's young people about the amazing opportunities they have.

Just some of the many useful topics covered:

Local success stories worth studying. How to ace an interview. Dream jobs. Rewrite that resume. Networking tips. Employment opportunities. Top-rated courses. Work your way up. A wide world of opportunities in 22 square miles. Scholarship listings. Hot industries to move into. Fastest growing jobs in the next decade. Surfing to success. Going solo in business. The best overseas colleges and universities.

It'll all be there, and more, in *Your Future*
